

Pickett Group Life Insurance Specialists

An Insurance Partner for Comprehensive Financial Advisors and Insurance Professionals.

A Proactive Business Solution

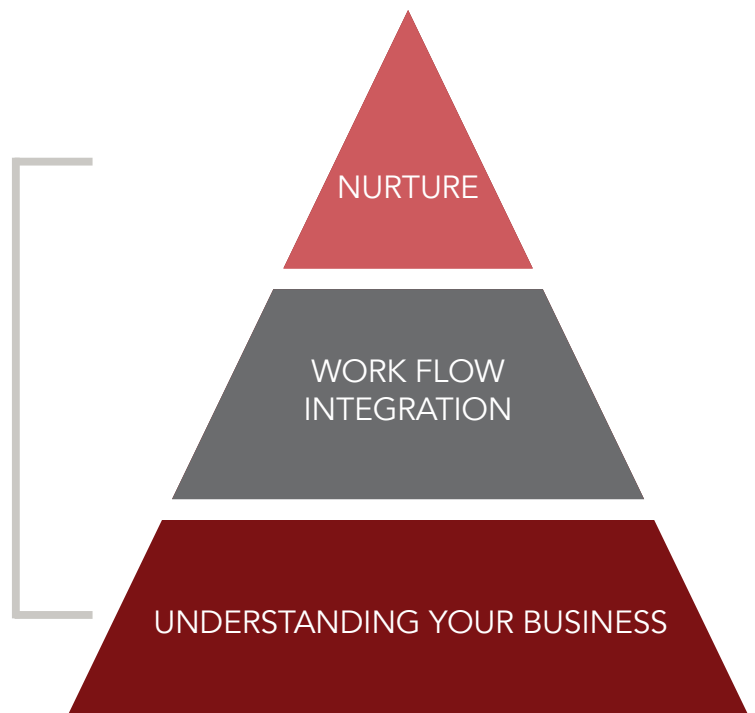

You are our business. Your time is valuable and we understand that a good partner needs to bring more than just products and ideas. Therefore, we take seriously our commitment to making a difference in your business. Our goal is to be your high-end strategic insurance partner that provides professional service and solutions. We have proven processes that allow us to be a proactive solution that seamlessly integrates into your advisory practice.

Simplifying the Complicated

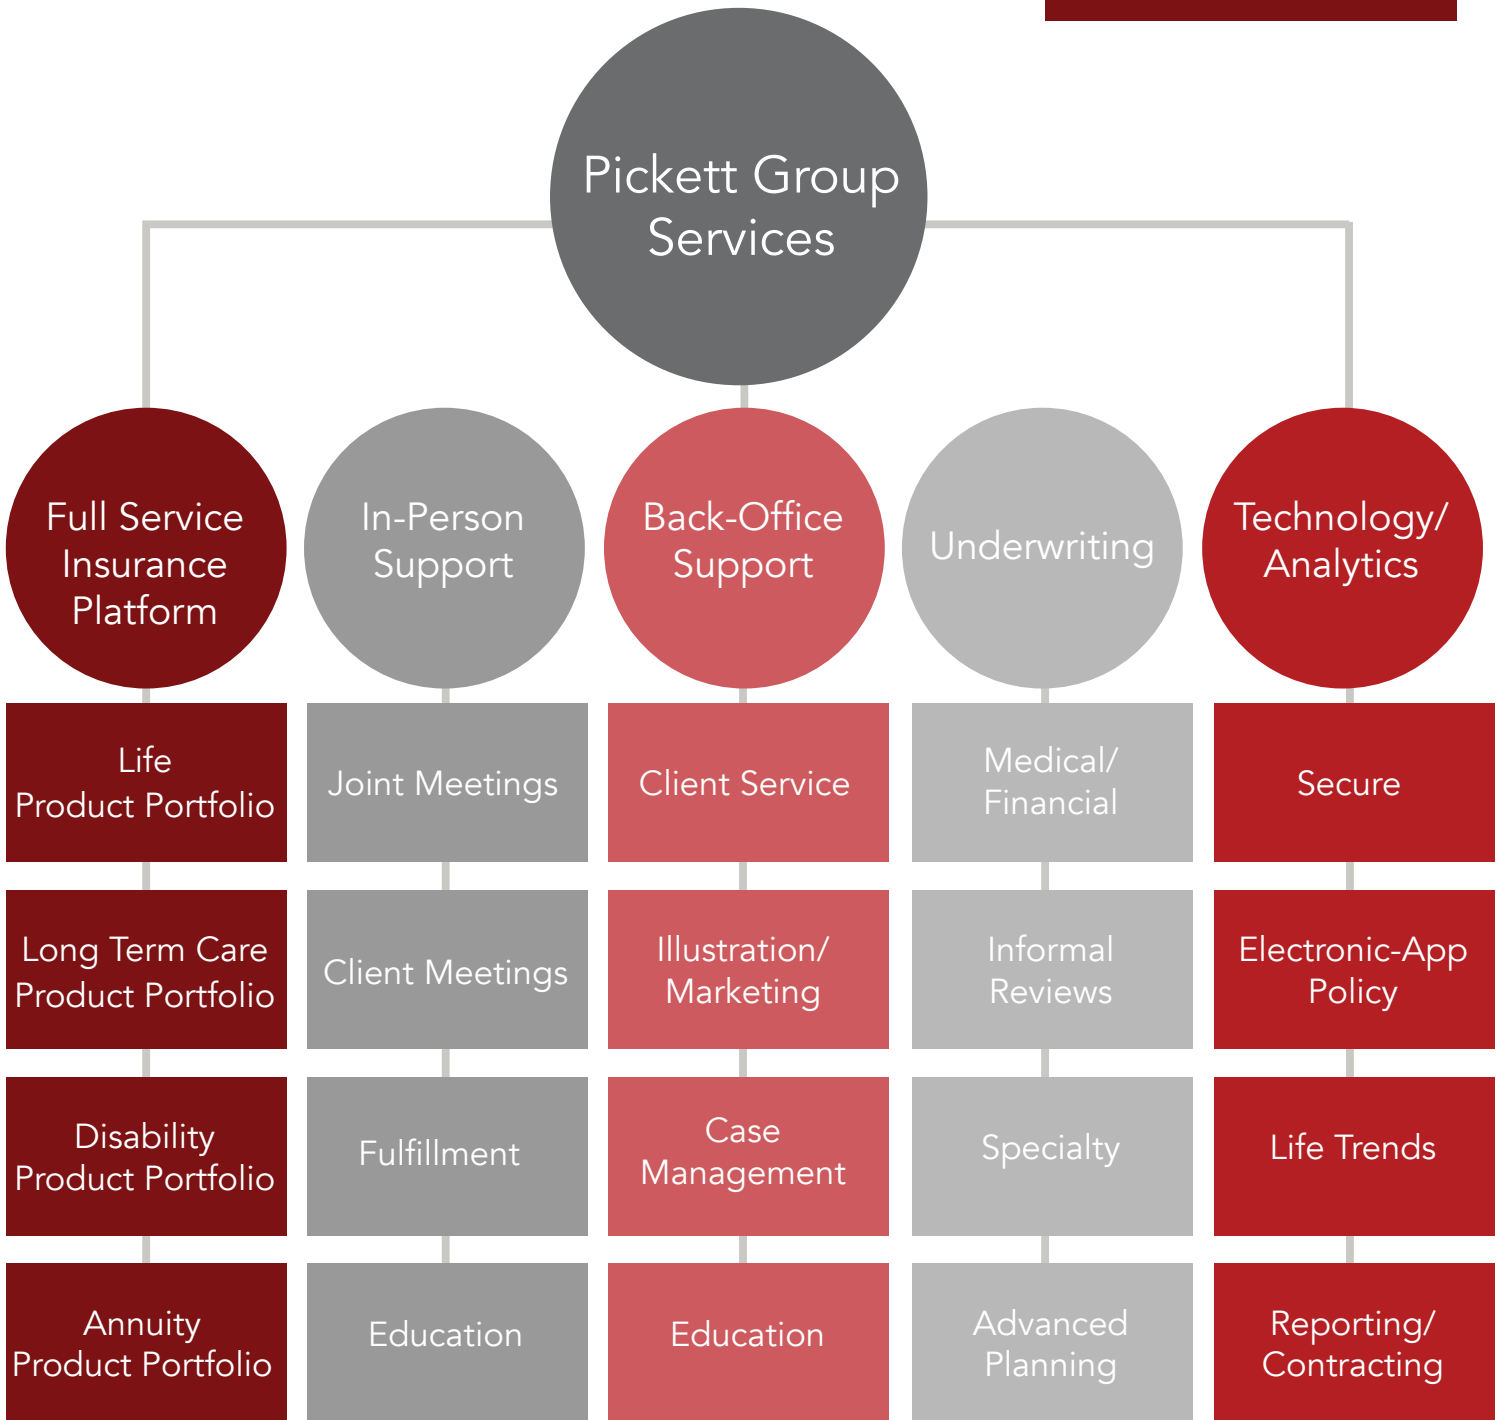

Our philosophy is simple. When we deliver on our commitment of providing proactive communication, regular education, and being great at follow through, then everything else falls into place. We simplify the complicated by being a hands-on partner. A hands-on partner that focuses on getting to know you and your business and then showing you how we will integrate into your business. You will see it as simple, transparent and efficient.

Our Partnership Process

We focus on understanding your business so we can seamlessly integrate into your workflow. We dedicate our time to proactive, hands-on and regular communication that nurtures our partnership and delivers on our commitment to creating a favorable and more comprehensive experience for your clients.

WHAT WE DO

About Pickett Group

At Pickett Group, our mission is to be the premier insurance partner for comprehensive financial advisors and insurance professionals. We provide an operational insurance platform that allows our partners to provide the highest level of insurance access, service and solutions to their clients. Our goal is to create greater enterprise value for our partner's agencies and help them deliver a more comprehensive client experience. Our consultative approach is delivered by a team of experienced professionals that have had longstanding careers in the insurance industry, including roles working closely with: financial advisors, property and casualty agencies, benefits agencies, banks, CPAs and attorneys.

We believe our experience, values and forward-thinking approach to business strategies creates a competitive advantage in the marketplace. Working with the largest insurance companies in the world, along with an entrepreneurial spirit, we provide an unparalleled approach to the new age of insurance distribution. We incorporate service, solutions, hands-on-support, education and technology to deliver what our partners want and need.
